BISHOP DU MOULIN SPEAKS TO STUDENTS

Gives Splendid Address At Mt. Vernon High School Monday Morning

Speaking along the lines of "America, The Leader in World's Statesmanship," Rt. Rev. Frank DuMoulin, bishop coadjutor of the Protestant Episcopal church, diocese of Ohio, delivered an eloquent address at chapel exercises at the Mt. Vernon high school at 9 o'clock Monday morning.

A number of visitors heard the distinguished speaker, among them being Mrs. Elliott of Clark, Coshocton county, is the guest of her son, Supt. of Schools A. W. Elliott.

Bishop DuMoulin spoke for twenty-five minutes, receiving marked attention from the audience.

The bishop first outlined conditions as they exist in the world today, stating that new leader is necessary. The center of events has shifted from Europe, consequently the world looks upon America as the leader today. He eliminated such leaders as England, France, Belgium, the South American countries and even the newer countries of the old world. The speaker then impressed upon the audience the fact that the world is looking upon America as the leader of affairs today and that our states must bring about a reconstruction period.

Rev. Donald Wonders, new rector of St. Paul's Episcopal church, was introduced and spoke very briefly. He announced that he was willing and ready to cooperate with the schools in any matters that will be of benefit to the city at large.

Congregational singing by the audience closed one of the most interesting chapel exercises in the history of the Mt. Vernon schools.

MT. VERNON HIGH BADLY SWAMPED BY CANTON TEAM

McKinley High Overwhelms Mt. Vernon By Score of 48 To 7

LOCAL TEAM SCORED IN FIRST QUARTER

Unable To Make Point After That; Account Of The Game By Fred Hayes

(By Fred Hayes)

The hefty maroon-clad moleskin troupe from McKinley high of Canton, invaded the orange and black camp here Saturday afternoon at Athletic field and parked a heavy mitten in the midriff of the local high's football anatomy, by pummeling the home forces 48 to 7.

Saturday's reverse by the Canton eleven marked the second defeat suffered by the orange and black in the last three seasons on a Mt. Vernon gridiron. The afternoon's frolic was also epochal because of the fact that it was the largest count piled up on a Mt. Vernon team on the home field since the ne'er-to-be-forgotten performance of Chic Harley and his Columbus East high gridder here at Riverside park in 1913.

Yep, Visions Fade

It was a contest where the hopes and dreams in the early stages of the game of the home rooting assemblage, of possibly winning or holding the invading plungers to a reasonable score, was turned into a nightmare later on in the fray. Showing a consistent attack and doggedly fighting line that repeatedly repulsed the marches of the rugged enemy, the wearers of the orange made a big impression and caused much rejoicing by actually out-playing their opponents in the first period.

Orange Eleven Rallies

The Mounts chalked in with the first touchdown of the matinee, although McKinley first scored two points on a safety.

Shortly after the beginning of the opening quarter McKinley counted on a safety when Marcel, who had been shifted to center from his regular position at guard to take the veteran Grubb's place, cut loose with a high pass to Cunningham on the punt formation. The pigskin rolled a distance of fifteen or twenty yards, before Cunningham fell on the ball behind the Mt. Vernon goal.

In compliance with the rules, the ball was placed on Mt. Vernon 30 yard line in the home eleven's possession. The orange and black onslaught that followed swept the Cantonites before it. Cunningham unleashed a short pass to Fletcher good for a 5 yard advance. Following this, Arnold snatched a pass and raced 35 yards before being pulled to earth by a Canton athlete. Smith then completed the big drive by tearing off 32 yards around the left flank for Mt. Vernon tally.

The next period saw the McKinley foemen twice cross the local eleven's goal. Catching the Mt. Vernon secondary defense unawares McKinley rung in with her first marker on a forward pass. A little later by piercing line thrusts the opposing camp pounded through for another touchdown. The first 30 minutes session ended with McKinley on the best end of a 15 to 7 count.

Then The Fun Began

With the second half come fireworks. The Maroons wheeled out their heavy guns and let go. The intensity of the McKinley assault transformed the spirits of the onlookers into gloom and depression. It was readily seen at the beginning of the game that the Canton squad was better equipped physically to withstand the rigors of the conflict. Now the power and drive of the heavier team began to assert itself over the lighter eleven. The Canton attack, lead by Johnson, the fleet footed colored fullback, and Kennedy, the line plunger, jogged down the pasture five times for touchdowns before ringing in and calling it a day's work.

With the issue definitely settled both coaches poured subs into the game. Coach Newman inserted his first stringers back in to the contest in the latter part of the game though.

A Redeeming Feature

Mt. Vernon had an edge on her opponents in one respect at least—in the forward passing department. Absurd as the statement may seem from the resulting score, the Mt. Vernon eleven gave a first class exhibition of the overhead game. This was shown by the fact that the local high team perfected 11 out of 17 passes as

against 5 out of 14 for McKinley. Coach Harshman of Canton McKinley wasn't in the least bit backward about expressing his praise for the local team's forward pass work. In the last two minutes of play Mt. Vernon completed three passes in succession.

Giants Meet

Potted against each other at the tackle positions were the opposing captains. The imposing figures of these stalwart linesmen stood out above all the rest on the playing field. The resemblance of their physical make-ups was striking. Cunningham of Mt. Vernon stands six feet two inches and beams the scales at 180 while Kattaman, the Canton leader, displaces 170 pounds and measures 6 feet 4 inches unclothed.
